

Your Pre-Travel

TRAFALGAR

Checklist

Navigating travel requirements can be challenging, that's why we've put together this handy checklist to help you prepare for your upcoming trip. All travel requirements must be satisfied to travel, so we recommend completing each item as soon as you can to ensure your Trafalgar vacation is worry-free and effortless.

- Book Your Trip** 

Book your trip through the My Trafalgar portal.
- Complete Trip Registration** 

Log into the My Trafalgar portal and complete Trip Registration for all guests traveling with you. This information is required to release your Travel Documents and will be used to contact you in the unlikely event of an emergency.
- Sign your Travel Declaration** 

To help ensure the most optimal travel experience, all guests need to complete their Travel Declaration, a short health and wellness questionnaire, prior to departure. Please ask each adult in your travel party to log into My Trafalgar portal and complete it as soon as possible.
- Purchase Travel Insurance** 

We strongly recommend you obtain travel insurance covering all applicable dates of travel with Trafalgar. You can purchase a plan through us or an insurance provider of your choice. For plan details and conditions, visit www.trafalgar.com/travel-insurance.
- Review Well-being Protocols** 

Get peace of mind with our approach to health and well-being while traveling. Review our protocols at www.trafalgar.com/wellbeing.
- Check Current Travel Restrictions** 

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are traveling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check www.trafalgar.com/sherpa frequently and verify travel/entry requirements up until your departure.

Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.
- Verify Your Vaccine Status** 

All guests traveling with Trafalgar through December 31, 2022 are required to be fully vaccinated against COVID-19, which may include a booster shot to keep it current and valid. We ask that you submit proof of your vaccination to us around 60 days prior to your trip departure.

Until further notice, children, 5 to 15 years old, who are unable to be vaccinated, must provide a verifiable negative Covid-19 test result (electronic or paper showing date and time of test) taken within 72 hours prior to the start of the tour (taking time zones into consideration).
